

# Utah Miata Club's Moab VI Event Pin

Celebrating Mazda Miata's 30<sup>th</sup> Anniversary

**Description of Pin:** Our Moab VI Event Pin celebrates the return of MX-5 Miatas to scenic Moab, Utah for the 6<sup>th</sup> time since 2003 and is our 8<sup>th</sup> Miata's in Utah event welcoming Miata club's from across the United States and Canada as well as from other countries. The pin features the iconic famous 'Delicate Arch' located in Arches National Park in Moab. We have used this Arch on our Moab event logos from all our Moab events for the past 17 years. This year we feature the Four Generations of the Mazda Miata, with the Racing Orange 30AE centered under the arch. Our slogan this year is "Return of the MX-5's" as it has been eight years since 2012 that we have had this event in Moab. We will have a short presentation during our event honoring all those who attend who have purchased a new 30AE. This pin will be given to each participant at the event in their Goodie Bags.
